## **Living Life**

The “Living Life” talks are designed around my personal philosophy of – **Look Up, Get Up, Dress, Up, Show Up and Never Give Up**

Inspiration is drawn from my own personal life events which are linked directly to this philosophy: a few examples – being shot in bank robbery, being hijacked and kidnapped and fighting for my life, retrenched and starting a new business, losing it all at 60 and starting over (The Covid Years)
